This is subject to confirmation by ASCE and amendment due to future Subscription purchases or cancellations. Licensed Materials include any additional features that ASCE may choose to provide, including but not limited to online document delivery services; any restrictions on use apply to all online materials accessed under this Agreement. Please indicate your current journal and other content subscriptions by marking the appropriate boxes in Appendix A of this Agreement.

TERMS and CONDITIONS

2. License and Authorized Sites/Users

Upon payment of the License Fee as set forth in the accompanying Invoice, and subject to Subscriber’s compliance with the terms and conditions of this Agreement, ASCE grants to the Subscriber and Authorized Users at the Subscriber’s Authorized Sites listed in Appendix C attached hereto (hereafter, “Authorized Sites”) a nonexclusive, revocable, and nontransferable license to access ASCE Licensed Materials for which the Subscriber maintains a current subscription to online version thereof.

For purposes of this Agreement, an “Authorized Site” is a localized site (one geographical location). For an organization with locations in more than one city, each city is considered to be a different site. For an organization that has multiple locations in the same city that are administered independently, each location is considered to be a different site.

“Authorized Users” means only the employees, faculty, staff, and students officially affiliated with the Subscriber at the Authorized Sites, and persons with legal access to the library’s collections and facilities at the Authorized Sites, using an IP address within the range identified in Appendix B of this Agreement. Authorized Users may be persons remote from the Subscriber’s physical location whose access is administered from the Authorized Sites that are included in Appendix C.

The Subscriber will exercise reasonable vigilance and shall be responsible for all access control and security measures necessary to ensure that the Subscriber’s IP addresses are not used to access the Licensed Materials by other than Authorized Users. The Subscriber

warrants and represents that common and reasonable methods will be used to inform Authorized Users of general terms and conditions for the use of online information products that are consistent with this Agreement. Furthermore, the Subscriber will make every attempt to enforce the terms of this Agreement upon receiving information from ASCE or any other source that reasonably indicates that one or more Authorized Users is in violation of the terms of this Agreement.

3. IP Addresses

Authorized Users will be recognized and authorized by the Subscribing Institution’s Internet Protocol address (IP address). IP addresses and/or address ranges for the Subscribing Institution are indicated in Appendix B.

4. Permitted Use

The Subscriber and Authorized Users are permitted online access to the Licensed Materials indicated in Appendix A, and may download, save, or print text, search results, or other information from the Licensed Materials solely for the private use or research of the Subscriber and the Authorized Users. The Subscriber and Authorized Users may only use this online access in a way that conforms with all applicable laws and regulations.

ASCE grants the Subscriber and Authorized Users permission for brief quotations from the content included in the Licensed Materials with the customary acknowledgment of the source, and to copy and transmit content from individual articles, papers, and/or book chapters in “person-

to-person” and non-systematic scholarly exchanges of information between Authorized Users and specific individuals.

Specific to Licensed Materials from the ASCE Library, the Subscriber may supply a copy of an article, paper, or book chapter (excluding Standards) to fulfill requests for Interlibrary Loans (“ILL”). ILLs are permitted to support non-commercial scholarly research by patrons of other libraries such as public, school, or college libraries provided the institution is in the same country as the Subscriber. The PDF format (Portable Document Format) of the Licensed Materials (i.e. articles, papers, or book chapters (excluding Standards)) may be printed and supplied to the ILL requesting Library by mail or fax, or transmitted through secure electronic submission. All electronic transmissions of such content pursuant to this section must be made using a method or platform that automatically deletes the electronic copy immediately after printing. The supply of such copies must conform to CONTU guidelines or similar restrictions to “fair use” provisions under copyright law.

Faculty at the Subscriber’s institution may include articles, papers, and/or book chapters, but not entire full-length journals, books, or standards, from the Licensed Materials in anthologies (coursepacks) in print or digital form for distribution to Authorized Users for their use in connections with classroom instruction or in reserves (print or digital) set up by the Subscribing Institution for access by Authorized Users in connection with specific courses. Copies of items in digital form which are included in online coursepacks or reserves will be deleted by the Subscriber after the end of the semester in which the related course concludes.

The Subscriber specifically agrees that use by the Subscriber or Authorized Users other than indicated above is a violation of the terms of this Agreement. Any other use of the Licensed Materials requires the written permission of the copyright holder.

5. Prohibitions on Certain Uses

The Subscriber shall not knowingly permit anyone other than Authorized Users to use the Licensed Materials. Altering, recompiling, reselling, publishing or republishing (beyond the brief quotations permitted under Section 4) of any text, output, search results, video file or other information from the Licensed Materials, or any portion thereof, including without limitation, copyright, proprietary and/or other legal notices contained therein, in any form or medium is prohibited.

Systematic or programmatic downloading, printing, transmitting, or copying of the Licensed Materials is prohibited. “Systematic or Programmatic” means downloading, printing, transmitting, or copying activity of which the intent or the effect is to capture, reproduce, or transfer the entire output of a journal/serial volume, a journal/serial issue, a journal topical section, proceedings volume, book, or video collection; or a substantial portion thereof; or sequential or cumulative search results; or collection of abstracts, articles, papers, book chapters, tables of contents, or videos. Other such systematic or programmatic use of the Licensed Material that interferes with the access of Authorized Users or that may affect the performance of the ASCE Library, for example, the use of “robots” to index content, or downloading or attempting to download large amounts of material in a short period of time, is prohibited. Redistribution of the Licensed Material, except as permitted in Section 4, without permission by ASCE and/or payment of royalty to ASCE or to the appropriate Reproduction Rights Organization, is prohibited.

All rights not expressly granted herein are reserved to ASCE. The Subscriber and Authorized Users may not circumvent ASCE’s access control systems or use ASCE’s systems or services to make any attempt to gain unauthorized access to any other system or network.

ASCE shall not be required to distribute, and Subscriber shall not redistribute any Licensed Materials included therein to a country where the export thereof is prohibited by U.S. law or regulation.

6. Fees and Payments

The Subscriber agrees to pay a Multi-site License Fee. The fee is payable upon receipt of an invoice from ASCE. The Multi-site License Fee and any subscription payments are subject to ASCE’s annual price increase for the Licensed Materials listed in Appendix A. Only the following adjustments may be made to journal or content package subscription payments or to the Multi-site License Fee:

- a) Subscriptions are entered on a calendar-year basis. Service begins upon receiving a paid order.

- b) The Subscriber may submit the IP addresses of additional sites throughout the license period for ASCE approval, such approval not to be unreasonably withheld. ASCE may take account of any current or prior subscriptions to the ASCE Library at such sites and adjust the Multi-site License Fee accordingly. All adjustments to the list of sites or IP addresses and to the Multi-Site License Fee are to be mutually agreed by ASCE and the Subscriber.

The Subscriber agrees that, with the exceptions listed above, there will be no other reductions or adjustments in the Multi-site License Fee for the duration of the Agreement.

7. Duration of Agreement

This Agreement will become effective on receipt by ASCE of the Agreement signed by an authorized agent of the Subscriber, and, subject to the terms and conditions of this Agreement, will remain in effect while the Subscriber maintains a current paid subscription to Licensed Materials or unless earlier terminated by either party as provided herein. This Agreement will terminate:

- a) Subject to (b.) and (c.) below, if the subscription lapses (termination is effective at the end of the paid subscription period).
- b) Either party may terminate this Agreement in the event of a material breach of this Agreement by the other party, which breach is not cured within thirty (30) days of receipt of written notice of the breach from the non-breaching party. The foregoing notwithstanding, ASCE reserves the right to suspend access to the service immediately upon detecting a breach of this Agreement by Subscriber. ASCE will use reasonable efforts to notify the Subscriber as soon as possible, usually within three (3) days of any such suspension of service, by sending an e-mail to the address supplied in Section 1.
- c) Following written notice by ASCE of any change in the terms of this Agreement, Subscriber may terminate this Agreement by notice to ASCE in writing or by e-mail that the Subscriber does not accept such change or changes; provided that such notice must be received by ASCE within thirty (30) days of Subscriber’s receipt of the notice of change. This Agreement shall renew automatically for the term of any subscription upon receipt by ASCE of payment for that subscription.

8. Copyright

Licensee acknowledges and agrees that all Licensed Materials from the ASCE Library, including abstracts, are copyrighted by ASCE. The Licensed Materials are subject to all applicable copyright, database protection and other rights of ASCE under the laws of the United States and other countries.

Licensee acknowledges and agrees that all Licensed Materials from the ASCE Conference Video Collection, including videos and posters, are copyrighted by the author or presenter. The Licensed Materials in this case are subject to all applicable copyright, database protection and other rights of the author or presenter under the laws of the United States and other countries.

Copyright notices in the Licensed Materials may not be removed, obscured, or modified in any way. Unauthorized copying or redistribution of any Licensed Material is a violation of copyright laws.

9. Failure of Performance

Following online access approval, the Subscriber and Authorized Users will be permitted to attempt online access to the Licensed Materials at any time. ASCE, however, will not be liable for any delay, downtime, transmission error, software or equipment incompatibilities, force majeure or other failure of performance. ASCE will use commercially reasonable efforts to correct any material performance problem brought to its attention and may suspend performance pending such corrections.

10. Official Version of Record

ASCE will use commercially reasonable efforts to ensure that the online versions of the journals, proceedings, and books correspond in content with the print versions, but ASCE does not guarantee that they do. In the event of any discrepancy between the print and online versions, the online version will be the official version of record.

11. Usage Rights of Lapsed Journals Subscribers

ASCE will use reasonable efforts to retain in an archive all electronic information published by the American Society of Civil Engineers. Upon lapse of subscription, no additional service is provided. The Subscriber will be given the option to purchase a physical archive copy, for example a DVD-ROM, of journals content published during the term for which a paid subscription was maintained. The Subscriber will be permitted to copy that content from the physical archive copy to the institution's information systems and redistribute that content to Authorized Users within the Authorized Site. Any hardware or software required to distribute content from the archive copy will be the responsibility of the Subscriber. The definitions of Authorized Site, Authorized Users, and allowed and prohibited uses as provided in this Agreement shall otherwise apply to the use of the archive copy. Lost or damaged physical archive copies will be replaced with copies in the then-current format for a reasonable fee; otherwise, back issue physical copies in the then-current format will be made available at the then-current pricing schedule.

12. Disclaimer of Warranties; Limitation of Liability; Indemnification

ASCE warrants that it is entitled to grant the licenses granted in this Agreement. EXCEPT AS SET FORTH IN THE PRECEDING SENTENCE, ASCE MAKES NO WARRANTY OR REPRESENTATION OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO THE LICENSED MATERIAL, INCLUDING ITS QUALITY, ORIGINALITY, SUITABILITY, SEARCHABILITY, OPERATION, PERFORMANCE, COMPLIANCE WITH ANY COMPUTATIONAL PROCESS, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE LICENSED MATERIALS ARE LICENSED AND PROVIDED TO SUBSCRIBER ON AN "AS IS" BASIS.

ASCE SHALL NOT BE LIABLE FOR: EXEMPLARY, SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR OTHER DAMAGES, ARISING OUT OF OR IN CONNECTION WITH THE SUBSCRIPTION OR LICENSES GRANTED HEREUNDER, THE USE OR INABILITY TO USE ANY ASCE ONLINE PUBLICATION, ASCE'S PERFORMANCE UNDER THIS LICENSE, TERMINATION OF THIS AGREEMENT BY ASCE OR THE LOSS OF DATA, BUSINESS OR GOODWILL, EVEN IF ASCE IS ADVISED OR AWARE OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL THE TOTAL AGGREGATE LIABILITY OF ASCE FOR ANY CLAIMS, LOSSES OR DAMAGES ARISING OUT OF ANY BREACH OR TERMINATION OF THIS LICENSE EXCEED THE TOTAL AMOUNT PAID BY THE SUBSCRIBER TO ASCE FOR

THE LICENSED MATERIAL, BUT NOT LESS THAN THIRTY DOLLARS (\$30.00), FOR THE CURRENT SUBSCRIPTION YEAR IN WHICH SUCH CLAIM, LOSS OR DAMAGE OCCURRED, WHETHER IN CONTRACT, TORT, OR OTHERWISE, INCLUDING WITHOUT LIMITATION DUE TO NEGLIGENCE. The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the success or effectiveness of other remedies. No claim may be made against ASCE unless suit is filed thereon within one (1) year after the event giving rise to the claim.

The Subscriber assumes sole responsibility for all use of the Licensed Materials by the Subscriber and by each Authorized User. In the event of a breach of this Agreement by the Subscriber or Authorized Users, the Subscriber agrees to indemnify and hold ASCE harmless from and against any and all claims, liabilities, damages, expenses (including attorneys' fees and experts' costs, penalties and fees, if any, for the enforcement of this Agreement and otherwise for ASCE's defense of indemnified claims), losses and threatened losses arising from, or in connection with, that breach, including without limitation, claims of unauthorized use.

13. General

This Agreement constitutes the entire agreement between the parties and supersedes any prior communication between the parties with respect to the subject matter hereof. The headings used in this Agreement are for convenience only and are not to be considered in construing the terms of this License. Subject to termination under Section 7, this Agreement may be amended only by consent (via mail or email) of both parties. If ASCE sends notice to the Subscriber of changes in the terms of this Agreement, Subscriber must reply by notice to ASCE in writing or by e-mail within thirty (30) days that the Subscriber does not accept such change or changes. Subscriber may not make any changes to this Agreement without written consent by ASCE.

The Subscriber must pay any taxes (including but not limited to any applicable Value Added Taxes, Sales Taxes, and Import Taxes) other than taxes on ASCE's net income, arising out of the Subscriber's use of the Licensed Materials and/or the rights granted under this Agreement.

The Subscriber may not assign or transfer its rights under this Agreement. The provisions of Sections 2, 4, 5, 8, 10, 11, 12, and 13 hereof shall survive any expiration or termination of this License.

This License will be governed by, and construed in accordance with, the laws of the Commonwealth of Virginia, applicable to contracts entered into and fully performed in the Commonwealth of Virginia. Any action arising out of, or relating to, this Agreement or any of the Licensed Material shall be brought in courts situated in Fairfax County, Virginia and the parties consent to the jurisdiction of such courts.

I have read and agree to adhere to and abide by all the terms and conditions stated above, and I certify that I am authorized to sign this Agreement on behalf of the Subscribing Institution identified in Section 1 above.

**APPENDIX B
INSTITUTIONAL IP ADDRESSES/RANGES**

ASCE has enabled IP-address-based access control for institutional subscribers. Each computer that accesses the Internet is assigned an IP address, commonly represented as four number groups separated by dots. All computers on a local area network, or subnet, may have the first two or three number groups in common. ASCE requires an external, public facing IP address. This can also include VPN/Proxy IP addresses. Access to ASCE Licensed Materials from your institution's Authorized Site will be provided based on the IP addresses and/or ranges you provide. (It is recommended that you consult with your network administrator to determine your IP addresses, subnets, and other critical information about your institution's network configuration.) IP addresses for locations other than the Authorized Site will not be accepted under this License; if you are seeking online access for multiple sites, please contact **ASCE Customer Service at asclibrary@asce.org or phone 1-703-295-6300.**

ASCE will accept up to ten IP addresses and/or ranges (Class B, Class C, and single station) via this form (attach additional sheets as necessary). Note that Class B requests will be subject to additional review by ASCE Technical Staff. Please contact ASCE Customer Service (see above) if you need to register a proxy or caching server, or if you have any additional questions.

All information provided regarding your IP addresses will be verified by ASCE, and your network contact (which must be provided below) will be contacted if additional clarification is necessary.

Please enter your IP addresses/ranges in the table.
