“Licensed Material(s)” refers to electronic versions of those articles, papers, books, and/or standards included in content packages to which the Licensee has purchased in perpetuity and which are available through the ASCE Library. Access rights for a given purchase may be limited to only a subset of the total publication years available online as specified in Appendix A. Licensed Materials include any additional features that ASCE may choose to provide, including but not limited to online document delivery services; any restrictions on use apply to all online materials accessed under this Agreement. Please indicate your content purchases by marking the appropriate boxes in Appendix A of this Agreement.

TERMS and CONDITIONS

2. License and Authorized Site/Users

Upon payment of the License Fee as set forth in the accompanying Invoice, and subject to Licensee’s compliance with the terms and conditions of this Agreement, ASCE grants to the Licensee and Authorized Users at the Licensee’s Authorized Site a perpetual, nonexclusive, and nontransferable license to access Licensed Materials electronically via the internet. ASCE shall provide access to the Licensed Material via the ASCE Library; provided, however, that ASCE may, at its option, discontinue access via the ASCE Library and provide Licensee with a fixed copy of the Licensed Materials on a mass storage medium.

For purposes of this Agreement, an “Authorized Site” is a localized site (one geographical location). For an organization with locations in more than one city, each city is considered to be a different site. For an organization that has multiple locations in the same city that are administered independently, each location is considered to be a different site. No access from remote campuses or remote sites and no consortia or other forms of content sharing are allowed under this Agreement. **(If you are seeking perpetual online access for multiple sites, please contact ASCE Customer Service at ascelibrary@asce.org or phone 1-703-295-6300 and complete the Multi-Site User License Agreement.)**

“Authorized Users” means only the employees, faculty, staff, and students officially affiliated with the Licensee at the Authorized Site, and persons with legal access to the library’s collections and facilities at the Authorized Site, using an IP address within the range identified in Appendix B of this Agreement. Authorized Users may be persons remote from the Licensee’s physical location whose access is administered from the Authorized Site, but not persons at remote sites or campuses with separate administrations.

The Licensee will exercise reasonable vigilance and shall be responsible for all access control and security measures necessary to ensure that the Licensee’s IP addresses are not used to access the Licensed Materials by other than Authorized Users. The Licensee warrants and represents that common and reasonable methods will be used to inform Authorized Users of general terms and conditions for the use of online information products that are consistent with this Agreement. Furthermore, the Licensee will make every attempt to enforce the terms of this Agreement upon receiving information from ASCE or any other source that reasonably indicates that one or more Authorized Users is in violation of the terms of this Agreement.

3. IP Addresses

Authorized Users will be recognized and authorized by the Licensing Institution’s Internet Protocol address (IP address). IP addresses and/or address ranges for the Licensing Institution are indicated in Appendix B.

4. Permitted Use

The Licensee and Authorized Users are permitted perpetual online access to the Licensed Materials indicated in Appendix A, and may download, save, or print text, search results, or other information from the Licensed Materials solely for the private use or research of the Licensee and the Authorized Users. The Licensee and Authorized Users may only use this online access in a way that conforms with all applicable laws and regulations.

ASCE grants the Licensee and Authorized Users permission for brief quotations from the content included in the Licensed Materials with the customary acknowledgment of the source, and to copy and transmit

content from individual articles, papers, and/or book chapters in “person-to-person” and non-systematic scholarly exchanges of information between Authorized Users and specific individuals.

The Licensee may supply a copy of an article, paper, or book chapter (excluding Standards) to fulfill requests for Interlibrary Loans (“ILL”). ILLs are permitted to support non-commercial scholarly research by patrons of other libraries such as public, school, or college libraries provided the institution is in the same country as the Licensee. The PDF format (Portable Document Format) of the Licensed Materials (i.e. articles, papers, or book chapters (excluding Standards)) may be printed and supplied to the ILL requesting Library by mail or fax, or transmitted through secure electronic submission. All electronic transmissions of such content pursuant to this section must be made using a method or platform that automatically deletes the electronic copy immediately after printing. The supply of such copies must conform to CONTU guidelines or similar restrictions to “fair use” provisions under copyright law.

Faculty at the Licensee’s institution may include articles, papers, and/or book chapters, but not entire full-length books or standards, from the Licensed Material in anthologies (coursepacks) in print or digital form for distribution to Authorized Users for their use in connections with classroom instruction or in reserves (print or digital) set up by the Licensing Institution for access by Authorized Users in connection with specific courses. Copies of items in digital form which are included in online coursepacks or reserves will be deleted by the Licensee after the end of the semester in which the related course concludes.

The Licensee specifically agrees that use by the Licensee or Authorized Users other than indicated above is a violation of the terms of this Agreement. Any other use of the Licensed Materials requires the written permission of the copyright holder.

5. Prohibitions on Certain Uses

The Licensee shall not knowingly permit anyone other than Authorized Users to use the Licensed Materials. Altering, recompiling, reselling, publishing or republishing (beyond the brief quotations permitted under Section 4) of any text, output, search results, or other information from the Licensed Materials, or any portion thereof, including without limitation, copyright, proprietary and/or other legal notices contained therein, in any form or medium is prohibited.

Systematic or programmatic downloading, printing, transmitting, or copying of the Licensed Materials is prohibited. “Systematic or Programmatic” means downloading, printing, transmitting, or copying activity of which the intent or the effect is to capture, reproduce, or transfer the entire output of a journal/serial volume, a journal/serial issue, a journal topical section, proceedings volume, book, or a substantial portion thereof, or sequential or cumulative search results, or collection of abstracts, articles, papers, book chapters, or tables of contents. Other such systematic or programmatic use of the Licensed Material that interferes with the access of Authorized Users or that may affect the performance of the ASCE Library, for example, the use of “robots” to index content, or downloading or attempting to download large amounts of material in a short period of time, is prohibited. Redistribution of the Licensed Material, except as permitted in Section 4, without permission by ASCE and/or payment of royalty to ASCE or to the appropriate Reproduction Rights Organization, is prohibited.

All rights not expressly granted herein are reserved to ASCE. The Licensee and Authorized Users may not circumvent ASCE’s access control systems or use ASCE’s systems or services to make any attempt to gain unauthorized access to any other system or network.

ASCE shall not be required to distribute, and Licensee shall not redistribute any Licensed Materials included therein to a country where the export thereof is prohibited by U.S. law or regulation.

6. Duration of Agreement

This Agreement will become effective on receipt by ASCE of the Agreement signed by an authorized agent of the Licensee, and shall remain in effect until terminated by mutual agreement of the parties or in accordance with the provisions herein.

This Agreement may be terminated as follows:

- a) Either party may terminate this Agreement in the event of a material breach of this Agreement by the other party, which breach is not cured within thirty (30) days of receipt of written

notice of the breach from the non-breaching party. The foregoing notwithstanding, ASCE reserves the right to suspend access to the service immediately upon detecting a breach of this Agreement by Licensee. ASCE will use reasonable efforts to notify the Licensee as soon as possible, usually within three (3) days of any such suspension of service, by sending e-mail to the address supplied in Section 1.

- b) Following written notice by ASCE of any change in the terms of this Agreement, Licensee may terminate this Agreement by notice to ASCE in writing or by e-mail that the Licensee does not accept such change or changes; provided that such notice must be received by ASCE within thirty (30) days of Licensee’s receipt of the notice of change.

7. Maintenance Fees

Subject to the terms of this Agreement, the license granted herein will remain in effect in perpetuity; i.e. perpetual access to back titles and titles published in the years Perpetual Access is purchased and made available on the ASCE Library platform. Each Licensing Institution which holds perpetual access to Licensed Materials will be assessed a yearly maintenance fee of \$495. The fee will be waived provided that the Licensing Institution: (a) purchases annual online product perpetual access packages published in successive years, or (b) holds a subscription to ASCE ALL Journals each successive year.

8. Copyright

Licensee acknowledges and agrees that all Licensed Materials, including abstracts, are copyrighted by ASCE. The Licensed Materials are subject to all applicable copyright, database protection and other rights of ASCE under the laws of the United States and other countries. Copyright notices in Licensed Materials may not be removed, obscured, or modified in any way. Unauthorized copying or redistribution of any Licensed Materials is a violation of copyright laws.

9. Failure of Performance

Following online access approval, the Licensee and Authorized Users will be permitted to attempt online access to the Licensed Materials at any time. ASCE, however, will not be liable for any delay, downtime, transmission error, software or equipment incompatibilities, force majeure or other failure of performance. ASCE will use commercially reasonable efforts to correct any material performance problem brought to its attention and may suspend performance pending such corrections.

10. Official Version of Record

ASCE will use commercially reasonable efforts to ensure that the online versions of serials, proceedings, and books correspond in content with the print versions, but ASCE does not guarantee that they do. In the event of any discrepancy between the print and online versions, the online version will be the official version of record.

11. Disclaimer of Warranties; Limitation of Liability; Indemnification

ASCE warrants that it is entitled to grant the licenses granted in this Agreement. EXCEPT AS SET FORTH IN THE PRECEDING SENTENCE, ASCE MAKES NO WARRANTY OR REPRESENTATION OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO THE LICENSED MATERIAL, INCLUDING ITS QUALITY, ORIGINALITY, SUITABILITY, SEARCHABILITY, OPERATION, PERFORMANCE, COMPLIANCE WITH ANY COMPUTATIONAL PROCESS, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE LICENSED MATERIALS ARE LICENSED AND PROVIDED TO LICENSEE ON AN “AS IS” BASIS.

ASCE SHALL NOT BE LIABLE FOR: EXEMPLARY, SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR OTHER DAMAGES, ARISING OUT OF OR IN CONNECTION WITH THE SUBSCRIPTION OR LICENSES GRANTED HEREUNDER, THE USE OR INABILITY TO USE ANY ASCE ONLINE PUBLICATION, ASCE’S PERFORMANCE UNDER THIS LICENSE, TERMINATION OF THIS AGREEMENT BY ASCE OR THE LOSS OF DATA, BUSINESS OR GOODWILL, EVEN IF ASCE IS ADVISED OR AWARE OF THE POSSIBILITY OF SUCH DAMAGES. IN NO

EVENT SHALL THE TOTAL AGGREGATE LIABILITY OF ASCE FOR ANY CLAIMS, LOSSES OR DAMAGES ARISING OUT OF ANY BREACH OR TERMINATION OF THIS LICENSE EXCEED THE TOTAL AMOUNT PAID BY THE LICENSEE TO ASCE FOR THE LICENSED MATERIAL, BUT NOT LESS THAN THIRTY DOLLARS (\$30.00), FOR THE CURRENT SUBSCRIPTION YEAR IN WHICH SUCH CLAIM, LOSS OR DAMAGE OCCURRED, WHETHER IN CONTRACT, TORT, OR OTHERWISE, INCLUDING WITHOUT LIMITATION DUE TO NEGLIGENCE. The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the success or effectiveness of other remedies. No claim may be made against ASCE unless suit is filed thereon within one (1) year after the event giving rise to the claim.

The Licensee assumes sole responsibility for all use of the Licensed Materials by the Licensee and by each Authorized User. In the event of a breach of this Agreement by the Licensee or Authorized Users, the Licensee agrees to indemnify and hold ASCE harmless from and against any and all claims, liabilities, damages, expenses (including attorneys' fees and experts' costs, penalties and fees, if any, for the enforcement of this Agreement and otherwise for ASCE's defense of indemnified claims), losses and threatened losses arising from, or in connection with, that breach, including without limitation, claims of unauthorized use.

12. General

I have read and agree to adhere to and abide by all the terms and conditions stated above, and I certify that I am authorized to sign this Agreement on behalf of the Licensing Institution identified in Section 1 above.

APPENDIX B INSTITUTIONAL IP ADDRESSES/RANGES

ASCE has enabled IP-address-based access control for licensing institutions. Each computer that accesses the Internet is assigned an IP address, commonly represented as four number groups separated by dots (e.g., 192.58.150.10). All computers on a local area network, or subnet, may have the first two or three number groups in common. Access to ASCE Licensed Materials from your institution's Authorized Site will be provided based on the IP addresses and/or ranges you provide. (It is recommended that you consult with your network administrator to determine your IP addresses, subnets, and other critical information about your institution's network configuration.) IP addresses for locations other than the Authorized Site will not be accepted under this License; if you are seeking online access for multiple sites, please contact **ASCE Customer Service at ascelibrary@asce.org or phone 1-703-295-6300**.

ASCE will accept up to ten IP addresses and/or ranges (Class B, Class C, and single station) via this form (attach additional sheets as necessary). Note that Class B requests will be subject to additional review by ASCE Technical Staff. Please contact ASCE Customer Service (see above) if you need to register a proxy or caching server, or if you have any additional questions.

All information provided regarding your IP addresses will be verified by ASCE, and your network contact (which must be provided below) will be contacted if additional clarification is necessary.

Please type your IP addresses/ranges in the following formats:

Class B Network: Enter the first two (network) numbers and use asterisks for the host addresses, i.e., 128.58.*.*

Class C Network: Type the first three (network) numbers and an asterisk for the host addresses, i.e., 192.58.150.* (ranges are acceptable; type 192.58.150.* - 192.58.152.* to indicate Class C ranges)

Single Station(s): Type all four numbers, i.e., 192.40.158.10 (ranges are acceptable; type 192.58.150.10 - 192.58.150.30 to indicate ranges of single stations)
